

First Announcement

It is with great pleasure to announce the forthcoming conference

The twentieth International Student Conference on Applied Mathematics and Informatics

„ISCAMI 2019, Prague, 16 – 19 May“

<https://iscami.fsv.cvut.cz/>

iscami@cvut.cz

As in the past, the main aim of the conference will be to provide an opportunity for master's degree students and PhD students from European Countries to present their results based on essential applications of mathematics and informatics in natural, technical, medical sciences and also humanities, to promote existing collaboration and also to encourage new collaboration of young researchers. The conference will start Thursday afternoon, the 16th May, and finish Sunday noon, the 19th May.

Details of registration, accommodation, and fees for the conference will be published in our next announcement regarding the event.

On behalf of the Conference Committee

Jan Chleboun
Dept. of Mathematics
Faculty of Civil Engineering
Czech Technical University in Prague
